

Dear lecturers UZH and ETHZ

You are warmly invited to the

### Information event on the Swiss high school system and gymnasium

Practically all swiss students starting their career at the ETHZ or UZH spent 4 to 6 years at one of the high schools (i.e. "Gymnasium" / "Mittelschule" / "Kantonsschule") in the German speaking part of Switzerland.

So what exactly characterizes these high schools? How are they organized, what is taught, who are the teachers? Answers to these and other questions, including a tour around the Campus Rämibül, will be given at this information event.

**Date:** Tuesday, October 29th 2019, 19:00 - ca. 21:00

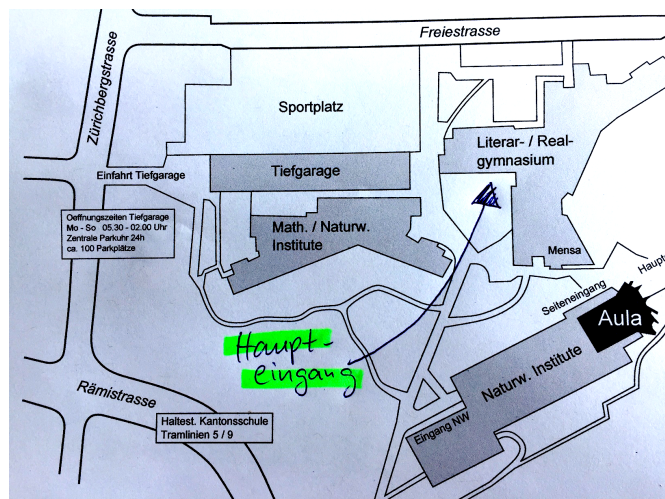

**Where:** Literargymnasium Rämibühl, Rämistrasse 56, 8001 Zürich, Zimmer 413

**Hosts:** Sonja Rüegg, Deputy Head LG Rämibühl, previously co-worker at Impuls Mittelschule  
Dr. Lorenz Leumann, Head core group HSGYM biology, biology teacher LG Rämibühl  
Dr. Martin A. Hefti, lecturer for didactics of biology UZH, biology teacher KS Wiedikon

**Registration via Doodle is appreciated::**
